OUR HISTORY

Our vision is to create a more beautiful world with natural flavors of ingredients from our favorite places.

To create what makes every meal something extra - which is both organic and environmentally friendly with an exterior that you always want in front of you.

When you choose products from ADD: WISE, you choose a fantastic taste experience while contributing to a more sustainable world. We believe in quality over quantity. We are very proud that our entire range can be produced in Sweden.

We warmly welcome you to ADD:WISE

TERMS & CONDITIONS

New Customer

We always perform a creditcheck before a new customer is added to our system, if necessary we apply pre payment.

Order

Orders are easiest to place in our online system or to order@matkompaniet.se Order confirmation is sent by e-mail after the order have been placed. This will be checked by the buyer and if there is any discrepancy, otherwise the order is approved and leaves our warehouse within 12-24h. Delivery time is usually between 1-3 working days within Sweden and 5-6 working days outside Sweden.

Shipping & conditions

Upon delivery, the customer is obliged to check the packaging and contents upon receipt of goods, any damage must be reported on site to the driver and then also in writing, with photos to order@matkompaniet.se within 48 hours after delivery. If this is not done, no compensation can be paid out for damaged goods. We ship our goods with DHL and deliver between 7-16 every weekday. In the event of deviating times for delivery, then contact your seller to enter the correct delivery time if this has not been done and DHL is unable to deliver goods, all extra fees will be charged.
